- After considering responses, prepares and provides ***Final Investigative Report*** to Parties/Advisors for review and comment; report describes relevant disputed and undisputed material facts
- Investigator does ***not*** make factual findings or decision about whether Respondent has engaged in sexual harassment

BUILD A DRAFT REPORT OF EVIDENCE AND ATTACHMENTS

Draft Report of Evidence and Attachments

- Before *completing* the investigation, provide a ***Draft Report of Evidence and Attachments*** to both parties & advisors via electronic format or a hard copy.
 - Parties shall have an equal opportunity to inspect and review any evidence obtained during the investigation that is directly related to the allegations, including evidence which the investigator does *not* intend to rely upon, as well as inculpatory and exculpatory evidence regardless of where it was obtained, so the parties can meaningfully respond to the evidence *before* the conclusion of the investigation.
 - Prior to completion of the final investigative report, the parties must have at least 10 days to review the evidence and submit written responses for the investigator's consideration.
- During this review process, the investigator must share any new evidence with the parties and continue the investigation related to new information, if needed.

SHARE DRAFT REPORT OF EVIDENCE WITH PARTIES AND ADVISORS

Do you Need Consent & Release Agreements?

- Consider seeking Student/Parent Acknowledgement of the District's requirement to Share Evidence with Parties and Advisors within the Title IX process
- Optional: Seek written consent from Complainant for the District to speak with to the Respondent and both party advisors about the specific Title IX complaint process
- Optional: Seek written consent for the District to provide the Parties and Advisors with the opportunity to review the Draft Report of Evidence and Attachments or other confidential documents
- Overall goal: Assert authority or seek permission to review confidential pupil records within the Title IX complaint process and to maintain confidentiality outside of the Title IX complaint process

Consider Agreements with Outside Advisors

- Consider seeking Agreement from Advisors Not to Disclose Confidential Information Outside of the Title IX Complaint Process
 - Seek agreement with Advisors to maintain the privacy and confidentiality of the records and evidence shared with Advisors during the complaint process
 - Seek agreement with Advisors not to share the records and evidence with other witnesses during the process or with the public outside of the Title IX process. Clarify that Advisors cannot use the records or evidence for purposes not explicitly authorized by the agreement
 - The District may restrict the role of any Advisor who does not respect the sensitive and confidential nature of the complaint process or who fails to abide by the District's privacy expectations; apply restrictions equitably

Consider Redaction, Initials, or Pseudonyms

- Another tool to help protect confidentiality is to provide the Draft Report of Evidence and Attachments with:
 - Use redacted names
 - Use initials instead of full names
 - Use pseudonyms (i.e., Complainant, Respondent, Witness 1, Witness 2, etc.)
- Provide a “key” to the Parties and Advisors via a different delivery method to reduce risk of public disclosure

Consider Logistics of Electronically Sharing Evidence

- Sharing the Draft Report of Evidence and Attachments Electronically
 - The goal is to allow the review of evidence with tools to maximize the confidentiality of the information and minimize the ability to share the confidential information or documents with people other than advisors
 - Consult IT staff about electronic options available within your organization
 - Electronic options may include, but are not limited to:
 - Dropbox
 - Google Drive
 - Adobe
 - One Hub
 - Box
 - Lock Lizard
 - One Drive

Consider Logistics of Physically Sharing Evidence

- Sharing a Physical Copy of the Draft Report of Evidence and Attachments
 - The goal is to provide a physical review of evidence while maximizing confidentiality and minimizing the ability to share confidential information or documents with people other than advisors
 - Provide physical documents for review on-site during arranged times
 - Locations may include conference room, empty classroom, after hours in library, or other office space
- Allow multiple opportunities and lengths of time for review
- Retrieve the physical documents after each review, and provide the same physical documents for additional reviews

Impact of Sharing Draft Report of Evidence

- During review of the evidence, the Parties or Advisors may:
 - Notice missing information
 - Review evidence that elicits an additional response, triggers a memory, helps identify other relevant documents or additional witnesses, and/or identifies additional questions for witnesses
 - Identify and understand the evidence that will **not** be relied upon during the complaint process
 - Seek informal resolution process before the determination
 - Identify potential investigator bias, conflict of interest, or lack of impartiality
- Investigator should report any issues to the Title IX Coordinator, as appropriate

PREPARE & SHARE FINAL INVESTIGATIVE REPORT

Final Investigative Report - Overview

- Prepare a *Final Investigative Report* that **fairly summarizes the relevant evidence**
 - Relevant evidence includes the ***who, what, where, when, why, and how*** information for each ***material*** allegation within the scope of the investigation
 - Relevant evidence *may* also include pointing out the weight of the evidence related to consistency/inconsistency, corroboration/lack of corroboration, plausibility/improbability, opportunity/lack of opportunity to observe, and material omissions or admissions
- The Final Investigative Report helps the Decision-Maker understand the relevant evidence in order to help the Parties engage in written cross-examination and to ultimately make factual findings & a decision

Contents of Final Investigative Report

- Similar Organization of Draft Report and duplication
- Amend Title of Cover Page
- Mostly the Same Headings as the Draft Report
 - **Introduction**
 - **Investigative Background**
 - Update the Investigative Background to include the Party's feedback and any new evidence
 - **Evidence Regarding Allegations**
 - Update the Evidence Section with any new evidence obtained by the Parties or Witnesses
 - **Fairly Summarize the Relevant Evidence for the Parties and Decision-Maker**
 - **Identify Undisputed and Disputed Material Facts**
 - Mention Investigator's observations about the weight of the evidence

Share Final Investigative Report with Parties

- Provide the ***Final Investigative Report*** to each Party and the Party's Advisor(s) in an electronic format or hard copy for review and written response at least 10 days prior to the time of determination of responsibility by the Decision-Maker
- Investigator reviews written responses, attaches the written responses to the report, and delivers the Final Investigative Report to the Title IX Coordinator, Decision-Maker, and the Parties
- Unless the Decision-Maker has procedural questions or requests for additional information from the Investigator, the investigation phase of the Title IX complaint process is complete
- The Investigator could be called as a witness in a decision-making process, a hearing, an appeal, or for a student or employee discipline hearings

Application: Undisputed and Disputed Material Evidence

- Compare Complainant's version of events (1-7) with Respondent's version of events (A-H)
 - What material information is *not* in dispute or **UNDISPUTED**?
 - What material information is in dispute or **DISPUTED**?
 - Consider creating a chart to see things side-by-side
 - **Audience Discussion of Undisputed and Disputed *Material Facts***

Conclusion: Seek Assistance When Needed

- The Title IX regulations and the Office for Civil Rights' commentary and Q&A Documents include extensive, complex, and legalistic principles
- When in doubt, consider seeking:
 - Additional training opportunities
 - Advice from legal counsel
 - Opportunities to shadow an experienced investigator
 - Legal counsel review of your Draft Report of Evidence or your Final Investigative Report
 - Outside, trained professionals to investigate for your educational entity
