CONTRACT SUMMARY	2

INTRODUCTION/PURPOSE OF SOLICITATION

The purpose of this Request for Proposal (RFP) is to enter into a fixed-price contract with a food service meal vendor (Vendor) that will provide University Preparatory Academy (hereinafter referred to as the School Food Authority [SFA]) with Vended meal service assistance for their food service operation. The Vendor will provide services to the SFA as described in the Scope of Work in the Model Fixed-price Contract.

The SFA's food service goals are to provide nutritious, high-quality, minimally processed meals to students and participants in the National School Lunch and School Breakfast Program, to accommodate special diets where medically necessary, improve the nutritional quality of meals, and maintain a financially viable food service program (Title 7, *Code of Federal Regulations* [CFR] sections 210.10 and 220.8, if applicable).

General food service goals and requirements are to:

- Provide compliant vended breakfast and lunch meals to all listed school sites in Attachment Q: District and School Information
- Support summer school session for 2026 (NSLP/SSO)
 - Starting 6/15/26, projecting 50-75 students for 7 total weeks
- Support 26/27 School Year
 - Meal service will begin based on the attached calendars
- Deliver a variety of entree options in a complete and compliant Offer vs Serve style
- All meal components should be fully unitized.
- Cold delivery drop, the SFA can heat onsite.
- The SFA will provide serving staff.
- The Respondent should provide a single fixed per-meal price for each reimbursable meal program.
 - This must be inclusive of all program options.
 - No other fees or charges will be allowed under this contract.

Goals:

- The SFA would like to use its USDA Food Program dollars to expand fresh fruit and vegetable choices. The respondent should be able to utilize the SFA's USDA Food and Entitlement dollars.
- Increase participation, consumption, and satisfaction at all levels of the food service program by improving meal quality
- Quality and variety are of the utmost importance to the SFA. When possible and practical, the SFA would like to see the respondent incorporate:
 - Freshly made entrees and sides
 - Minimally processed ingredients
 - Organic, locally, and responsibly sourced ingredients
 - Operate in an environmentally sustainable manner: recycling, composting, and using green products whenever possible

All procurement transactions are to be conducted in a manner that provides maximum open and free competition consistent with Title 2, *Code of Federal Regulations* (2 CFR), Section 200.319(a)(b)(c)(1-7). The SFA must share with every Respondent all information necessary for submitting a competitive proposal. The release of this RFP, evaluation of Respondents, and award of a contract will use competitive bidding standards established in all applicable California state and federal statutes and regulations.

Outlined below are the competitive bidding basic standards:

- The purpose of soliciting competitive proposals is to secure public objectives in the most effective manner and avoid the possibilities of graft, fraud, collusion, etc.
- The SFA released this RFP to benefit the SFA and not the Respondents.
- Fulfillment of RFP specifications is based on full and fair competition and acceptance by the SFA of the most responsive and responsible Respondent to the SFA's requirements, as determined by the SFA when evaluating proposals based on the criteria contained in the RFP.
- The RFP must provide a basis for full and fair competition among Respondents to a common standard, free of restrictions that tend to stifle competition.

To respond to this RFP, interested Vendors must present evidence of experience, ability, and financial standing necessary to meet the requirements stated in this RFP. The SFA will measure this evidence by scoring the proposals, using a point system that will rank each proposal from highest to lowest, to determine which proposals they will consider for the award of a contract.

To be competitive in this solicitation, the Respondent must:

- Carefully read the entire RFP, attachments, exhibits, addenda, and SFA responses to questions before submitting a proposal
 - **Pay especially close attention to Exhibit A - Scope of Work in the attached model contract.** The SFA has clearly outlined all parameters and requirements of the program.
- Ask appropriate questions or request clarification before the deadline in the RFP
- Submit all required responses by the required deadlines
- Follow all instructions and requirements of the RFP thoroughly and appropriately

If a Respondent discovers any ambiguity, conflict, discrepancy, omission, or other errors in this RFP, the Respondent shall immediately notify the SFA of the error in writing and request clarification or a modification of the RFP. If the Respondent fails to notify the SFA of the error prior to the date for submission of proposals, and is awarded the contract, the Respondent shall not be entitled to additional compensation or time by reason of the error or its later correction.

General Instructions for Respondents

1. Prepare proposals simply and economically. Provide a straightforward, concise description of the Respondent's capability to satisfy the SFA's requirements. Emphasis should be placed on completeness and clarity of content.
2. Submit proposals for the performance of all the services described within this RFP. The SFA will not consider any deviation from these specifications and will reject such proposals.
3. The SFA may reject a proposal if the proposal is conditional or incomplete, deemed nonresponsive, or if it contains any alterations of form or other irregularities of any kind. The SFA may reject any or all proposals or waive any immaterial deviation in a proposal. The SFA's waiver of an immaterial deviation shall in no way modify the RFP document or excuse the Respondent from full compliance with all other requirements if awarded the contract. The SFA may reject a proposal if it is deemed overly responsive or contains language that provides any added value not requested in the RFP.
4. Respondents are responsible for the costs of developing proposals and shall not charge the SFA for any preparation costs.
5. The SFA asks Respondents that do not intend to submit a proposal to notify the SFA in writing.
6. Respondents may modify their proposal after submission by withdrawing the original proposal and resubmitting a new proposal prior to the submission deadline. The SFA will not consider proposal modifications offered in any other manner, either oral or written.

8. Respondents may withdraw their proposal by submitting a written withdrawal request to the SFA, signed by the Respondent or their authorized agent, through the contact person named in the "Contact Information" provided on page iv of this RFP. Thereafter, a Respondent may submit a new proposal prior to the proposal submission deadline. Respondents may not withdraw their proposal without cause after the proposal submission deadline.
9. The SFA may modify the RFP prior to the date given for submission of proposals by posting an addendum on their website. The SFA will notify Respondents so they can obtain any addenda from the SFA's web site or request it by email.
10. The SFA reserves the right to reject all proposals for reasonable cause. If the costs of all proposals are excessive, or a responsive and responsible Respondent is not identified, the SFA is not required to award a contract.

11. The SFA will not consider more than one proposal from an individual, firm, partnership, corporation, or association under the same or different names. Reasonable grounds for believing that any Respondent has submitted more than one proposal for work contemplated herein will cause the SFA to reject all proposals submitted by the Respondent. If there is reason to believe that collusion exists among the Respondents, the SFA will not consider any of the participants of such collusion in this or future solicitations.
12. The SFA will not consider a joint proposal submitted by two or more entities.
13. All proposals shall include the forms provided as attachments to this RFP. Respondents may copy these forms. A proposal is considered responsive if it follows the required format, includes all attachments, and meets all deadlines and other requirements outlined in this RFP.
14. The SFA shall not accept proposals after the submission deadline specified in the RFP and shall return the unopened proposals to the respective Respondents. The SFA will not consider late proposals under any circumstances.
15. Respondents are responsible for examining the entire RFP package, seeking clarification for any item or requirement that may not be clear to them, and checking all responses in their proposal for accuracy before submitting it.
16. **Respondents may submit their questions regarding the information presented in this RFP by e-mail to ryan@schoolfoodsolutions.org, no later than Friday 4/3/2026 at 5:00 p.m. Pacific time.** The SFA will answer all questions received by the deadline in writing without exposing the query source. This will be the sole process for asking and answering questions regarding this RFP. Respondents may not contact SFA employees directly to ask questions.
17. SFA representatives reserve the right to inspect a Respondent's other food service operations prior to any award of a contract.
18. The SFA reserves the right to negotiate the final terms and conditions of the contract, which may differ from those contained in the proposal, provided the SFA considers such negotiation to be in its best interest. Any change in the terms and conditions must not create a material change, which is any alteration or modification to the original terms stated in the RFP that would have resulted in different proposals from all respondents. A material change will require the SFA to rebid the contract.
19. Interested Respondents are required to inspect the SFA's premises prior to submitting a proposal to determine all requirements associated with the proposed contract. The inspection of premises will occur during the Mandatory Tour (if applicable).

20. Respondents shall submit in digital format via email and/or shared drive. Email is preferred but not required. If the Respondent submits a paper copy, it must contain the original signature of the individual(s) authorized to bind the Respondent contractually.

Model Fixed-Price Contract

I. Introduction

[**School District**] hereinafter referred to as the school food authority (SFA), enters into this Contract with _____[Vendor], hereinafter referred to as the Vendor to provide food service management assistance for the SFA's food service program, hereinafter referred to as "Services." **During the term of this Contract, the Vendor will provide services to the SFA as described in the Scope of Work (Exhibit A) of this Contract.**

II. General Terms and Conditions

A. Term

The term of this contract is one year. The Vendor shall commence providing Services under the Contract on 7/1/2026, and continue through 6/30/2027. After careful consideration, the SFA may annually renew this Contract for four additional one-year periods upon agreement between both parties. Execution of all contracts and amendments is contingent on approval by the California Department of Education (CDE). The SFA may cancel this Contract upon notification from the CDE that it or any part of the bidding process has been determined noncompliant with state and federal laws and regulations (Title 7, Code of Federal Regulations [7 *CFR*], Section 210.16[a][10] and 210.16[d]).

C. Fees

1. Fixed-price Contracts

The SFA will pay the Vendor at a fixed rate per meal. The fixed rate per meal includes all fees and charges indicated in the Schedule of Fees (Exhibit B) of this Contract. The SFA must determine, and the Vendor shall credit the SFA for, the full value of U.S. Department of Agriculture (USDA) Foods. The Vendor must follow all procurement requirements provided in section V. Compliance with the Law. The Vendor's fixed-price invoice will be fully compliant with procurement requirements for the National School Lunch, Special Milk and School Breakfast Programs, set forth in 7 *CFR*, parts 210, 215, and 220. The Vendor shall take discounts, rebates, and other credits into account when formulating their prices for this fixed-price contract (2 *CFR*, Section 200.406[a]).

2. Payment Terms

The Vendor shall submit Monthly invoices by 1st week of the following month that reflect all activity for the previous calendar month. The Vendor must submit detailed cost documentation monthly to support all charges to the SFA. Charges and expenses are included in the Schedule of Fees section. All costs, charges, and expenses must be mutually agreeable to the SFA and the Vendor, and must be allowable costs consistent with the cost principles in 2 *CFR*, Part 200, as applicable. The SFA will pay invoices submitted by the Vendor within 30 days of the invoice date. The SFA will pay invoices received by its accounting department only if the invoices pass the SFA's audit. The SFA will notify the Vendor of invoices that do not pass audit, which the SFA will not pay until the invoices have passed audit, with no penalty accruing to the SFA.

Interest, fines, penalties, finance charges, income and expenses that may accrue under this Contract are not allowable expenses to the nonprofit school food service (cafeteria fund) (2 *CFR*, Section 200.441). The SFA is prohibited from paying unallowable expenses from the SFA's cafeteria fund.

3. Spoiled or Unwholesome Food, Food Not Meeting Detailed Food Component Specifications or Contract Requirements.

The SFA shall make no payment to the Vendor for meals that, in the SFA's determination, are spoiled or unwholesome at the time of delivery, do not meet detailed food component specifications as developed by the SFA for the meal pattern, or do not otherwise meet the requirements of this Contract. (7 *CFR*, Section 210.16[c][3])

D. Contract Cost Adjustment

The Per Meal Price may be increased on an annual basis by the Yearly Percentage Change in the Consumer Price Index for All Urban Consumers, as published by the U.S. Department of Labor, Bureau of Labor Statistics, Food Eaten Away from Home CPI

regional index: San Francisco Bay Area. The December CPI value will be used as a representation of the change in CPI. Such increases shall be effective on a prospective basis on each anniversary date of this Contract and will be allowed only if approved in advance by the SFA. CPI Fee increases for the upcoming Contract renewal year must be submitted to the SFA. Of note, the CPI fee increases should be applied to individual meal or unit costs.

The renegotiation of price terms under this Contract is permitted only upon the occurrence of unpredictable, unexpected conditions beyond the control of both parties. If those conditions create a significant and material change in the financial assumptions upon which the price terms of this Contract were based, then those price terms so affected may be renegotiated by both parties. Renegotiation of price terms under such conditions must be mutual and both parties must agree on any changes in price terms. Any adjustments so negotiated and agreed upon must accurately reflect the change in conditions. The occurrence of contingencies that are foreseeable and predictable, but not certain, should be calculated into the defined price terms, to the extent possible, with the goal of minimizing the need for renegotiation of price terms during the term of the Contract. Substantive changes of the Contract will require the SFA to rebid the Contract.

E. Availability of Funds

Every payment obligation of the SFA under this Contract is conditioned upon the availability of funds appropriated or allocated for the payment of such obligation. The SFA may terminate this Contract at the end of the period for which funds are available if funds are not allocated and available for the continuance of this Contract. In the event the SFA exercises this provision, no liability shall accrue to the SFA and the SFA shall not be obligated or liable for any future payments or for any damages resulting from termination under this provision.

F. Timeliness

Time is of the essence in this Contract.

G. Approval

This Contract has no force or effect until it is signed by both parties and is approved by the CDE. (7 *CFR*, Sections 210.16[a][10] and 210.19[a][5])

H. Amendment

No amendment or variation of the terms of this Contract shall be valid unless made in writing, signed by both parties, and approved by the CDE. Any oral understanding or agreement not incorporated into the Contract in writing and approved by the CDE is not binding on either party (7 *CFR*, Sections 210.16[a][10] and 210.19[a][5]).

I. Substantive Changes to Contract

Any change to this Contract that results in a material change, or any proposed renewals of this Contract may, at the determination of the CDE, either void this Contract or require the SFA to rebid the Contract. Following are examples of substantive changes that could require the SFA to rebid the Contract:

- The addition of a program
- A major shift in responsibilities for Vendor or SFA staff

J. Subcontract/Assignment

No provision of this Contract shall be assigned or subcontracted without prior written approval of the SFA. If subcontracts are let, the Vendor should have taken steps to contract with small and minority businesses, women's business enterprises, veteran-owned businesses, and labor surplus area firms when possible. (2 *CFR*, Section 200.321)

K. Piggyback Contract Option

The SFA will allow this contract to be "piggybackable" by other education agencies in the state of CA pursuant to Public Contract Code Sections §20118 and § 20652.

Piggybacking of this contract is only possible with the mutual agreement of the Vendor and the SFA to extend the offer. Either party has the right to refuse if the terms are not mutually beneficial.

Contracts can only be extended and piggybacked if they meet the following criteria.

- The piggybacking SFA must participate in the same or fewer programs.
- The total annual estimated value of the piggybacked contract must be equal to or less than the total annual value of the originating contract.
- The piggybacking SFA must obtain written prior approval from both the Vendor and the original SFA.

The piggybacking SFA shall be responsible for obtaining approval from its Boards of Education or other approving body of authority when necessary and shall hold the original SFA harmless from any disputes, disagreements, or actions which may arise as a result of using this bid.

If the original agreement is terminated, the subsequent piggyback agreement will terminate at the same time.

L. Written Commitments

Any written commitment by the Vendor relative to the services herein shall be binding upon the Vendor. Failure of the Vendor to fulfill any such commitment shall render the Vendor liable for damages due to the SFA. Such written commitments include, but are not limited to:

- Any warranty or representation made by the Vendor in any publication, drawing, or specifications accompanying or referred to in the proposal pertaining to the responsiveness of the proposal
- Any written notifications, affirmations, or representations made by the Vendor in, or during the course of, negotiations that are incorporated into a formal amendment to the proposal

M. Trade Secrets/Copyrights

The Vendor and SFA shall designate any information they consider confidential or proprietary—including recipes, surveys and studies, management guidelines, operational manuals, and similar documents—that the SFA and Vendor regularly use in the operation of their business or that they develop independently during the course of this Contract. Information so designated and identified shall be treated as confidential by the Vendor and the SFA, and the Vendor and the SFA shall exercise the same level of care in maintaining the confidences of the other party as they would employ in maintaining their own confidences, unless disclosure is otherwise required under the law. All such materials shall remain the exclusive property of the party that developed them and shall be returned to that party immediately upon termination of this Contract. Notwithstanding, the federal awarding agency reserves a royalty-free, nonexclusive, and irrevocable license to reproduce, publish, or otherwise use, make works available through agency-designated public access repositories, and authorize others to use the work for federal purposes. (2 *CFR*, Section 200.315[b]).

N. Severability

Should any provision(s) of this Contract be declared or found to be illegal, unenforceable, ineffective, and/or void, then each party shall be relieved of any obligations arising from such provision(s). The balance of this Contract, if capable of performance, shall remain and continue in full force and effect.

O. Counterparts

This Contract may be executed in counterparts, each of which shall be deemed an original, but all of which together will constitute one and the same instrument.

P. Silence/Absence/Omission

Any silence, absence, or omission from the Contract specifications concerning any point shall mean that only the best commercial practices are to prevail. Only those materials (e.g., food, supplies, etc.) and workmanship of a quality that would normally be specified by the SFA are to be used.

P. Indemnification

The Vendor shall indemnify and hold harmless the SFA, or any employee, director, agent, or Board Member of the SFA, from and against all claims, damages, losses, and expenses

(including attorney's fees and court costs incurred to defend litigation), and decrees or judgments whatsoever arising from any and all injuries, including death or damages to or destruction of property resulting from the Vendor's acts or omissions, willful misconduct, negligence, or breach of the Vendor's obligations under this Contract by the Vendor, its agents, employees, or other persons under its supervision and direction.

The Vendor shall not be required to indemnify or hold harmless the SFA from any liability or damages arising from the SFA's sole acts or omissions.

Q. Sanctions

If the Vendor fails to perform the contract terms, the following penalties may be imposed:

- Vendor will be required to provide in writing to the SFA how they will ensure future contract compliance
- Continued nonperformance will result in termination of this contract
- Vendor may be prohibited from bidding on future contracts with the SFA

R. Breach of Contract

For the breach of the Contract and associated benefits:

If the Vendor causes the breach, the Vendor assumes liability for any and all damages, including excess cost to the SFA in procuring similar services, and is liable for administrative, contractual, and legal remedies, as applicable.

S. Penalties

Cost resulting from the SFA's violations, alleged violations of, or failure to comply with federal, state, tribal, local, or foreign laws and regulations are unallowable, except when incurred as a result of compliance with specific provisions of the federal award, or with prior written approval of the federal awarding agency.
